# A Bold Vision for the Future:

## Enhancing CRKN'S Heritage Collections Through Community Collaboration

### How we're planning for the future of our collections, platform, and heritage services

#### Transforming Scholarly Communications

- Heritage Content Priorities Task Group Final Report
- Decolonizing subject headings in the Canadiana Collection
- Launch of Rights Statements Pilot Project
- Canadiana content added to JSTOR's Open Community Collections
- Updating Terms of Use for the Canadiana collections
- Building better tools for discovery and access

#### Develop and Foster Partnerships

- Consulting with Indigenous advisory groups
- Engaging with small, local, and regional GLAM organizations to expand the collections
- Collaborating with national organizations for coordinated digitization and preservation strategies
- Building capacity with the Canadiana TDR Audit Group

#### Collaborative Advocacy

- Plans to launch a CRKN Indigenous Advisory Circle
- Memorandum commissioned on Indigenous cultural property in Canadiana
- Creating a strategy for including expanded BIPOC content in the collections
- Creating a revised newspaper digitization strategy

Canadian Research  
Knowledge Network  
Réseau canadien  
de documentation  
pour la recherche

CRKN advances interconnected, sustainable access to the world's research and to Canada's documentary content for our 80+ members and Canada-wide community.
